M1 Turf Field at Memorial Sports Complex Closed Until Further Notice

Evesham Township's M1 Turf Field at our Memorial Sports Complex on Tuckerton Road will be closed until further notice.

The decision to close the field was reached due to concerns raised by the results of an annual safety impact study conducted on the field by an independent turf consulting firm, along with the professional opinions of officials serving in our Department of Recreation and Open Space, as well as the township's safety and insurance consultants.

Please know that Evesham Township does not make this decision lightly. However, the continued safety of our residents and any visitors using our facilities must always be the township's No. 1 priority.

Evesham Township will be evaluating any activities that would normally be held on M1 to determine options for relocation to other facilities. All other areas and equipment at the Memorial Sports Complex remain open for safe use, as do fields and equipment at our other outdoor facilities across Evesham Township.

Thank you for your understanding and patience at this time.
