# EVESHAM SHARES

## PURPOSE & MISSION

The Evesham Township Office of Community Development is focused on sharing information with our businesses on a consistent basis in 2021.

Evesham Township Shares is a program designed to provide information that will help keep our local businesses open and growing. Monthly Information Sessions will have speakers sharing financial and non-financial assistance during these very difficult times and in the future. In addition to the speakers, information will be continually shared through the Evesham Twp. Website and social media posts.
