NEW JERSEY

MESSAGE FROM MAYOR VEASY

Hello Evesham Township! On behalf of my fellow members of Township Council and myself, as well as our entire municipal team, I am happy to welcome you to our latest edition of the Evesham Insider!

It is truly wonderful to see our residents enjoying the warmer weather and taking advantage of the many resources our community has to offer during these sun-filled months. Our commitment to keeping you informed remains our top priority, and we hope this update helps you stay connected with all the exciting developments across our township.

As we move into the heart of summer, our township is buzzing with activity and long-term planning for Evesham's future. We recently reached a historic milestone for our environment as the New Jersey Conservation Foundation entered into a contract to purchase 835 acres of privately-owned land, which includes the headwaters of the Black Run Preserve. This vital property will eventually be transferred to the township (at no cost to residents!) in order to be incorporated into our preserved open space, ensuring these lands are protected from development for generations to come.

Our commitment to the local economy and community life also continues. We have some exciting changes to the Marlton Farmers Market this year, as we are evolving the market into a Friday Night Farmers Market and Street Festival held at Kain Park beginning in early September. This offering will feature a reimagined experience with more vendors, more food trucks, more live music and more fun.

Message from Mayor Veasy *continued from cover*

We are also thrilled to continue our new strategic partnership with the Perkins Center for the Arts to bring high-quality arts and cultural programming directly into our historic sites starting this summer. Be sure to check our municipal website or the Perkins website to learn how you can register for these great new programs!

In addition to these new initiatives, our team worked diligently to pass the 2026 Municipal Budget so that we can continue to provide top-tier services while remaining fiscally responsible.

We also have information to share regarding the Burlington County Board of Elections' recent update of several voting locations, so we encourage you to check the information in this issue to see if your specific location has changed.

The upcoming months are also packed with opportunities for us to gather as a community. We look forward to seeing everyone for National Night Out in August to celebrate our partnership with local law enforcement, and we are already gearing up for another wonderful Harvest Fest on Main Street this September.

As we continue to grow and improve, your feedback remains vital to us. We encourage you to stay involved, join us at our monthly Council Meetings, and never hesitate to reach out to our dedicated staff with any questions or concerns.

I remain deeply honored to serve as your Mayor and to work alongside such a dedicated group of leaders and neighbors. I am grateful every day for the chance to serve this community, and I look forward to seeing many of you at our summer events. Thank you for making Evesham the best community in New Jersey on behalf of myself, Deputy Mayor Heather Cooper, Councilwoman Dr. Krystal Hunter, Councilman Joe Fisicaro, Jr., and Councilman Christian Smith.

TOWNSHIP MANAGER MESSAGE *Walt Miller*

As we move into the heart of the summer season, I want to take a moment to reflect on what makes Evesham Township such a vibrant and special place to call home. Our commitment to delivering top-tier service remains our highest priority. To that end, I am pleased to share that our recently approved municipal budget successfully maintains all the high-quality services our residents have come to expect, while continuing to practice strong fiscal responsibility.

You will also notice a great deal of activity around town this summer, as we move forward with many ongoing capital improvement projects to our municipal facilities and parks—all designed to further enhance the quality of life for you and your family. Additionally, to better accommodate your busy schedules, we have introduced new summer hours at our municipal offices. Residents can now access our offices both earlier and later than normal, Monday through Thursday.

Our team is dedicated to evolving alongside the needs of our community, ensuring Evesham remains a premier place to live, work, and play. As always, if I can assist you with anything, please do not hesitate to contact me at (856) 988-4421 or via email at millerw@evesham-nj.gov. Have a safe and wonderful summer!

Evesham Township Council has adopted the 2026 Municipal Budget and 2026 Capital Budget

This 2026 budget features no reduction in services, meaning residents will continue to receive the excellent level of services they have come to expect in years past. The budget also includes investments to enhance Evesham's roads, equipment, facilities, and staffing.

Just some highlights include funding for the following:

- The 2026 Road Program
- Rugged in car tablets for Police Department
- Network Infrastructure
- Township Computers, Notebooks, Tablets & Phones
- Four (4) Police Patrol Vehicles
- Automated Sanitation Unit
- Single Axle Dump Truck
- Municipal Building HVAC Improvements
- Barton Run Bridge Repairs
- Blue Barn HVAC Improvements
- Township Vehicles
- Facility Improvements to the Gibson House

This year's budget also continues to transition the municipality to a model over the next several years where the township will now be responsible for the full funding of the School Resource Officer (SRO) program with the Evesham Township School District (ETSD).

Historically, the cost of this program was shared in different ways between the Township and the ETSD. Going forward, the township will eventually assume full financial responsibility for the program, ensuring the continued presence of officers in ETSD schools and relieving the district of that expense.

This year's budget was also only the second where the township could legally anticipate revenue from local cannabis retailers, based on the revenue received in 2025.

Evesham Township's New Summer Schedule is Underway

To better serve our residents and provide greater flexibility for your busy schedules, the Evesham Municipal Building is operating with expanded daily hours of service across a four-day schedule for the Summer 2026 season.

What You Need to Know

- Monday through Thursday: The Municipal Building is currently open with extended hours from 8 a.m. to 5:30 p.m. These earlier openings and later closings are designed to give the public extra time to access municipal services during the week.
- Fridays: The Municipal Building will be closed.
- Return to Normal Schedule: We will return to our traditional five-day, 8:30 a.m. to 4:30 p.m. schedule starting Sept. 14, 2026.

Planning Your Visit: This schedule applies only to the Municipal Offices (including police civilian staff) located within the Municipal Complex at 984 Tuckerton Road.

Important Note: In the event that you require services that you absolutely cannot obtain on a day other than Friday, please contact the Office of The Township Manager in advance at (856) 983-2900 ext. 4421 so we can discuss any potential arrangements to assist you.

Department Exceptions: Please note that Sworn Police Officers, Public Works staff, Parks & Open Space staff and staff for the Indian Spring Golf Course will NOT be subject to the summer schedule. These employees will maintain their normal operating schedules to ensure community safety and maintain our public spaces during the busy summer months.

We look forward to seeing you at the Municipal Building this summer and hope these extended weekday hours provide more convenience for our community!

Open Space Acquisition

A major milestone has been reached in the effort to permanently preserve and protect 835 acres of open space land in the southwestern portion of Evesham Township!

This past spring the New Jersey Conservation Foundation (NJ Conservation) officially entered into a binding contract of sale with the current private owners of the land to acquire 835 acres located on the western edge of the New Jersey Pinelands Area and the federally designated Pinelands National Reserve. NJ Conservation and the sellers have also agreed to a \$15 million purchase price, which is approximately \$2.4 million less than the property's full market value.

As the property contains the headwaters of Black Run Preserve — an important freshwater tributary that feeds into the Rancocas Creek — permanently protecting this land will be immensely vital in protecting the rest of the watershed downstream.

Once the sale process is complete, Evesham Township has agreed to subsequently accept ownership of the property from New Jersey Conservation Foundation. This means 835 acres of land will be added to Evesham Township's permanently preserved open space, and it's all without any additional expense to Evesham Township residents!

This preservation marks a significant win for the community, ensuring that the property—including its most ecologically sensitive areas—will be protected. With a contract of sale in place, NJ Conservation, in cooperation with the sellers, is moving forward with the due diligence process that is typical of a conservation acquisition.

Mayor Jaclyn Veasy was proud to offer the following comments. *"This agreement marks a historic milestone for Evesham Township and a victory for every resident who treasures our natural landscape," Mayor Veasy said. "Working to bring this property into our protected lands means more than just saving 835 acres from development — it means securing the heart of our local ecosystem for generations to come. We are incredibly proud to partner with Burlington County and NJ Conservation to prove that when we prioritize stewardship over sprawl, everybody wins."*

Evesham Township once again thanks all our partners at NJ Conservation, The Pinelands Commission, Burlington County and the state's NJ Green Acres Program for working together to fund this purchase. Learn more about NJ Conservation at njconservation.org.

ATTENTION SENIOR RESIDENTS, particularly those on fixed incomes!

If you were 65 by Dec. 31, 2025, don't forget to take advantage of these state-level PROPERTY TAX RELIEF PROGRAMS with The Senior Freeze Program, The ANCHOR Program, and the STAYNJ Program.

- The "Senior Freeze" Program: allows eligible senior citizens to receive an annual reimbursement for any property tax increases they might incur on their principal residence (main home) after establishing a baseline year with the state. (Applicants must have owned and lived in their home since December 31, 2022, or earlier, and they still owned and lived in that home on December 31, 2025).
- The ANCHOR Program: allows homeowners and renters who meet income and residency requirements to receive property tax relief payments ranging from \$450 to \$1,750.
- The StayNJ Program: also offers property tax benefits to eligible homeowners aged 65 and older, targeting a total relief amount equal to 50% of your property tax bill when combined with your ANCHOR and Senior Freeze benefits. If your Senior Freeze and ANCHOR distributions do not reach that 50% threshold, StayNJ will cover the remaining balance, distributed in four quarterly payments the following year (income and benefit caps apply — learn more when applying).

Seniors can apply for all three programs (Senior Freeze, ANCHOR, and StayNJ) using a single application. This streamlined process eliminates the need to submit separate forms for each program. The application deadline is Nov. 2, 2026. Use the following link for more information and the application: <https://www.nj.gov/treasury/taxation/staynj/index.shtml>

You can also stop by the Evesham Tax Collector's Office (984 Tuckerton Road) BEFORE Nov. 2 for help completing the application. Please bring with you your 2024 and 2025 Income Tax Returns.

The Friday Night Farmers Market & Street Festival

Mark your calendars now for a major evolution for a community favorite: The Marlton Farmers Market is transforming into The Friday Night Farmers Market & Street Festival! We've reimagined the market experience to bring you a true "stay-and-play" destination. Here is what's new:

- **New Location:** We're moving to the heart of town at Kain Park (E. Main St. & S. Locust Ave.) Main Street will remain open, but South Locust Avenue will be closed to ensure a safe, pedestrian-friendly atmosphere that lends itself to a street festival vibe!
- **New Season:** Join us in the late summer and fall to enjoy the crisp autumn air and late-season harvests. No more cancellations due to extreme heat or sudden severe summer thunderstorms.
- **New Time:** Goodbye Wednesday afternoons — Hello to Friday nights (5 p.m. – 8 p.m.) to help you kick off your weekend right.
- **More Selection:** Expect your favorite local farmers (summer AND fall crops) plus live music, food trucks, family activities, and a curated selection of local merchants.
- **Save the Dates:** Kickoff is currently set for Sept. 4, running select Fridays through November 20! All dates include: 9/4, 9/18, 10/2, 10/9, 10/23, 10/30, 11/6, 11/13 & 11/20

VENDORS WANTED: We are looking for farmers, crafters, and food vendors to join the fun. Scan the QR code on the accompanying flyer or visit the township website for a direct link at www.evesham-nj.org

Harvest Fest Celebration

Believe it or not, it's that time again! Evesham Township staff and volunteers are gearing up for another amazing Harvest Fest Celebration right here in Evesham Township!

This year's event will take place on Saturday, Sept. 26, 2026 from 10 a.m. to 4 p.m. on Main Street in Evesham Township (Marlton).

Main Street will once again be filled to the brim with crafters, food vendors, music, a kids corner and much much more fun for the entire family!

Don't miss out on the very best way to greet the fall season in our community! See you there!

For more information, please contact chrupcalad@evesham-nj.gov

Every Bedroom Needs
a Working Smoke Alarm!

Half of home fire deaths happen between 11 p.m. and 7 a.m., when most people are asleep.

For the best protection, install interconnected smoke alarms in your home. When one sounds, they all sound.

Install smoke alarms in every bedroom, outside each separate sleeping area, and on every level of the home, including the basement. Larger homes may need more alarms.

Test alarms at least once a month by pushing the test button.

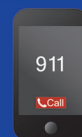

Replace all smoke alarms when they are 10 years old or if they do not sound when tested.

Some people, especially children and older adults, may need help to wake up. Make sure someone will wake them if the smoke alarm sounds.

When the smoke alarm sounds, get outside and stay outside. Go to your outside meeting place.

Call the fire department from a cellphone or a neighbor's phone. Stay outside until the fire department says it's safe to go back inside.

ELECTION NOTICE: VOTING DISTRICT / POLLING LOCATION CHANGES

In April 2026, the Burlington County Board of Elections redistricted **Evesham Voting Districts** to reapportion the number of voters at township polling locations. This resulted in the creation of six new districts and the reassignment of some districts' affiliated polling location.

With these changes now in place, all Evesham voters are urged to review their sample ballot voter address information and note their assigned polling location, before going to the polls this **General Election (November 3, 2026)**.

For your information, the following is the official list of polling locations and assigned district numbers:

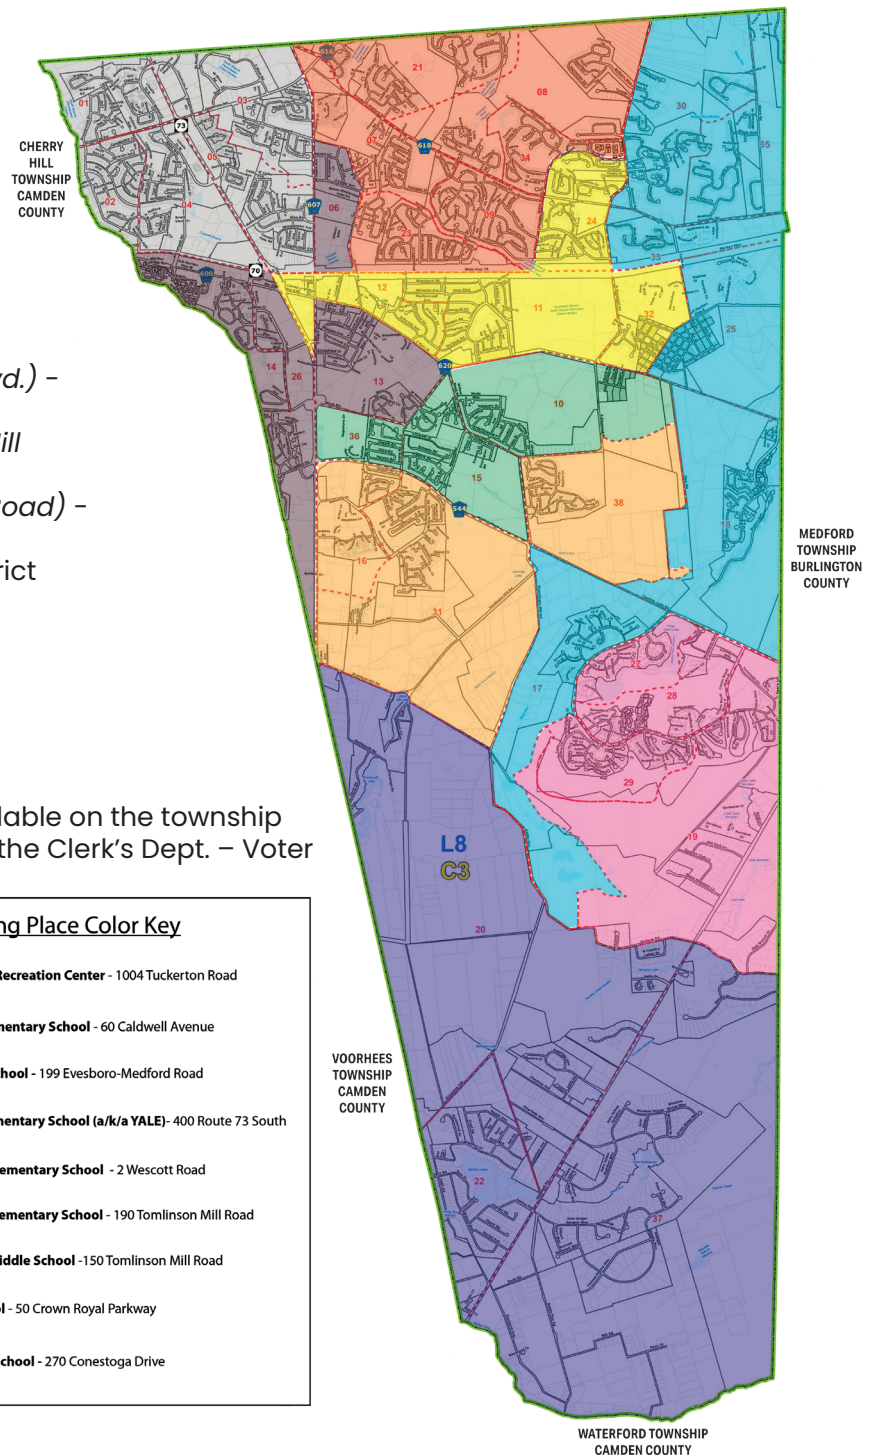

Polling Locations and Districts

- **Van Zant School** (Conestoga Dr. & Bartram Rd.) - District numbers: 1, 2, 3, 4, 5
- **Evans/YALE School** (Route 73 South) - District numbers: 6, 13, 14, 26
- **DeMasi Schools** (Evesboro-Medford Road) - District numbers: 7, 8, 9, 21, 23, 34
- **Jaggard School** (Wescott Road) - District numbers: 10, 15, 36
- **Beeler School** (Caldwell Ave. & Radnor Blvd.) - District numbers: 11, 12, 24, 32
- **Marlton Elementary School** (Tomlinson Mill Road) - District numbers: 16, 31, 38
- **Blue Barn Recreation Center** (Tuckerton Road) - District numbers 17, 18, 25, 30, 33, 35
- **Rice School** (Crown Royal Parkway) - District numbers: 19, 27, 28, 29
- **Marlton Middle School** (Tomlinson Mill Road) - District numbers: 20, 22, 37

If any resident is unclear where to vote on election day:

- please view the election district map available on the township website at **www.evesham-nj.org**, under the Clerk's Dept. - Voter Information link
- or, residents can also enter their address directly into New Jersey's state polling location finder at <https://voter.svrs.nj.gov/polling-place-search>
- or voters are welcome to contact the Evesham Township Clerk's Office at (856) 988-4429 if they have any election questions or concerns.

New Spaces to Play, Connect, and Compete!

Evesham Township is buzzing with activity this season as several major enhancements to our parks and recreation facilities have reached their final stages or have recently been completed. Whether you're looking for inclusive play, a new place to dine, or a spot to join the fastest-growing sport in the country, these projects are designed to bring our community closer together.

CHECK OUT THESE NEW PROJECTS AROUND TOWN!

A Playground For All at Evesboro Downs

The vision of a fully inclusive play space is a reality at Evesboro Downs Park. Supported by a \$731,000 New Jersey Green Acres grant, this 12,000-square-foot playground is meticulously designed so children of all abilities can play side-by-side.

Inspired by the original Jake's Place in Cherry Hill, this facility removes the traditional barriers to play. From the smooth, rubberized surfacing to the wheelchair-accessible two-story structure, every inch was built with accessibility in mind.

The playground features tactile walls and a percussion zone for creative sensory exploration, along with specialized equipment like a Zero-G chair swing and an inclusive seesaw. To ensure the site is easy for everyone to navigate, the township has also included a dedicated toddler area and expanded ADA parking.

New Amenities at the Indian Spring Driving Range

The Indian Spring Driving Range has undergone a transformation into a premier destination. The new driving range building is complete, serving as a hub for both golfers and visitors to the surrounding recreation areas.

This facility isn't just for practice; it's a space to relax and refuel. Part of the building will serve as an expanded mini pro shop for ball rentals and local merchandise. The other portion of the building will bring a new restaurant and bar area with indoor and outdoor seating that we hope will be open close to the time you read this! Whether you're hitting a bucket of balls or just grabbing a bite with the family, this new addition ensures the continued growth and success of our municipal course.

Pickleball Arrives at the Gibson House

Evesham's brand-new pickleball facility is taking its final shape directly in front of the Gibson House Community Center.

Designed to meet the high demand for this popular sport, the premier site features eight courts, including two specifically designed for ADA accessibility. To ensure a top-tier experience, the complex is fully equipped with lighting, paddle racks, benches and expanded parking. And there will be nearby restroom access at the new Driving Range building.

As we put the finishing touches on these sites, we invite you to follow the Township's social media pages and website for more information. We can't wait to see you out there!

A new chapter for arts and culture in Burlington County begins this summer as Perkins Center for the Arts and Evesham Township announce a strategic partnership designed to expand access to high-quality arts and cultural programming for residents of all ages. This collaboration reflects a shared commitment to strengthening inclusive, healthy communities through meaningful engagement in the arts.

Beginning in the summer of 2026, Perkins Center for the Arts will establish a presence in Evesham Township at two historic community sites: The Harvest House on Main Street and Thomas & Mary Evens House on Elmwood Road. Through this pilot initiative, Perkins will introduce a dynamic mix of visual, literary, musical, and performing arts programming, along with community-informed exhibitions, New Jersey Folklife programs, and Arts in Healing initiatives designed to serve residents across generations.

Founded in 1977, Perkins Center for the Arts has served Burlington County, Gloucester County, and Camden County for nearly five decades. As a regional arts asset, the organization brings deep experience in developing responsive, community-driven programming that reflects the interests and identities of the diverse communities it serves.

"Evesham Township thrives when our residents have opportunities to connect and grow together," Evesham Township Mayor Jaclyn Veasy said. "Partnering with Perkins Center for the Arts allows us to bring a highly respected cultural organization with nearly 50

years of experience directly into our community. Together, we are expanding access to arts and culture and helping ensure meaningful arts programming is accessible to our residents and continues to strengthen the vibrancy of Evesham for years to come."

"Perkins Center for the Arts is honored to become a strategic partner in Evesham to support our mutual goals of developing inclusive, healthy communities," said Kahra Buss, Executive Director of Perkins Center for the Arts. "Arts engagement is increasingly recognized as a fifth pillar of community health and wellness. Through this partnership, Perkins' emphasis will be on using creative engagement as a vehicle to support community wellbeing, connection, and belonging."

The yearlong pilot program will evolve through ongoing community input from residents, artists, and local stakeholders. Phase I (FY27) will focus on discovery and collaborative planning, helping shape the future scope and structure of programming to ensure it remains responsive, sustainable, and aligned with community priorities.

As proud partners in this growth-oriented effort, Evesham Township and Perkins Center for the Arts look forward to expanding arts and cultural opportunities that enrich the lives of residents and strengthen the fabric of the local community.

For more information about these programs, visit www.perkinsarts.org or www.evesham-nj.org.

3 SIMPLE STEPS FOR FLASH FLOOD SAFETY

During a flood, water levels and the rate at which the water is flowing can quickly change. Remain aware and monitor local radio and television.

- 1 GET TO HIGHER GROUND**
Get out of the areas subject to Flooding
- 2 DO NOT DRIVE INTO WATER**
Do NOT drive or walk into flooded areas. It only takes 6" of water to knock you off your feet.
- 3 STAY INFORMED**
Monitor local radar, television, weather radio, internet or social media for updates.

LEARN CPR

For drowning, the American Heart Association recommends rescue breaths along with compressions.

REMEMBER LIFE JACKETS

Half of all boating deaths could be prevented with their use.

LEARN TO SWIM

Drowning is the leading cause of death in children between ages 1 and 4.

SECURE THE POOL

Install fencing with self-closing gates at least 4-feet high to separate the pool from the house and yard.

STAYING SAFE *in the water*

TEACH SAFETY

Talk about risky behavior: diving or swimming in unfamiliar water, and alcohol or drug use while in or near water.

FAMILY'S SAFETY PLAN

It's important for everyone in the family to be trained in CPR.

NO DIVING!
