What is Y.A.C.?

HISTORY

The Youth Advisory Committee, Y.A.C., was formed in 2011 by Councilwoman Deborah Hackman, with the intent to support and nurture the next generation of leaders.

PURPOSE

The Youth Advisory Committee is a program designated for those in the town who have an interest in politics, government, and community service. The members meet several times a month to work on different events that take place in Evesham Township.

HOW TO JOIN

Those who are in, at least, their 6th grade year of middle school, up to their 12th grade year of high school, are eligible to join the program, and partake in our wide spread programs and events.

Y.A.C. is an organization open to all individuals, and provides an inclusive experience to allow all students in the program to get the experience they desire, and open new pathways to great opportunities.

If you feel that you would enjoy this experience, please contact the coordinator to get started. The information is listed in this brochure.

Your Y.A.C. Potential

WHAT YOU GET FROM Y.A.C.

The Evesham Youth Advisory Committee provides many different opportunities. You may take on leadership roles, engage in civil service projects, cast your voice on a local platform, and even have an influence in the way that your town is run! Being a member of YAC also provides you with annual scholarship opportunities for continuing education!

GREAT EXPERIENCES

Not only may you get to make an impactful change in your town, but you get to have experiences which you will never forget, such as group wide field trips for an in-field learning experience about government and history.

By joining Y.A.C., individuals can receive internship, service hours, and civic engagement opportunities.

Student gives her voice on a proposed motion

Y.A.C. provides opportunities for you to voice your opinions and ideas to local government leaders, which help make your world and your community a better place.
