A. Briefly describe each variance requested and provide Zoning Code Section from which relief is being sought: we are seeking variance to put a deck 20ft from the property line where 25ft is required
Code Section 160-64(E)(1) - Table 11

B. If a "d" variance is requested, what are the special reason(s) which support your application: (This type of variance can only be heard by the Zoning Board of Adjustment) _____

C. If a "c" variance is requested, what are the exceptional property conditions which prevent you from complying with the zoning ordinance? _____

Township of Evesham.

www.evesham-nj.org

984 Tuckerton Road • Marlton • NJ 08053 • 856-983-2900 • [Township Code](#)

D. If a "c" variance is requested and you contend there are no exceptional property conditions, how will the Municipal Land Use Act be advanced if the variance were to be granted and how would the benefits of a variance outweigh any detriment? Granting a variance would improve our overall quality of life, our relationship with our neighbors and beautify the property. We would love to not only sit out on the deck as a family and enjoy our beautiful neighborhood but we would also like to invite our neighbors over and use it as a space where we can gather and bond with the surrounding community.

E. Supply a brief statement of facts showing why the requested variance can be granted without substantial detriment to the public good and without substantial impairment to the intent and purpose of the Township's zoning plan and zoning ordinance: The deck will not impact the property of our neighbors in any way
