Comments:

We find this Soil Erosion and Sediment Control Plan effective for the site and in accordance with the requirements of Chapter 251, P.L. 1975. Certification of this plan is for Soil Erosion, Sedimentation, and related Stormwater Management Controls specified in this plan. It is not authorization to engage in the proposed land use unless such use has been previously approved by the municipality or other controlling agency. In no case shall this approval extend beyond three and one half years, at which time resubmission and certification by the district will be required.

Site inspections will be made to this plan and any changes may void this certification.

A statement of compliance must be obtained from this office prior to the issuance of a certificate of occupancy on the use of this facility.

Any conveyance of this project or portion thereof shall be considered a substantial change unless the district office is given written notification of the conveyance indicating new owner(s), address of owner(s), address change, and agent responsible during construction.
