RE: *Target Storage Containers – 751 Route 73 S, Marlton, NJ 08053*

To Whom It May Concern,

Kimley-Horn is pleased to submit this addendum to the T-1365 Target Drive Up Expansion Improvements application for the Amended Site Plan Application to the existing Target Store located at 751 Route 73 S, in Marlton, NJ. The applicant is requesting several waivers on items typically expected in an Amended Site Plan Application.

The applicant requests a waiver for the following items listed in the Township of Evesham land Development Checklist.

Waiver Requested

- 2. An environmental assessment report pursuant to Ordinance 3-2-97 conforming with the current ASTM Standards.**
 - Due to the minimal scope of work regarding the placement of storage containers in existing impervious coverage, a waiver is requested for this item as there is no impact to surrounding environmental facilities.

- 3. An environmental impact report and a cultural resources survey.**
 - Due to the minimal scope of work regarding the placement of storage containers in existing impervious coverage, a waiver is requested for this item as there is no impact to surrounding environmental facilities or historic properties impacted.

- 4. A traffic impact study prepared, signed and sealed by a registered professional engineer of New Jersey. Zoning may require a traffic impact study depending on size and type of application as required by the Traffic Consultant of the board.**
 - A waiver is requested for this item as there are no changes proposed to the existing ingress/egress of the property, and no change in use.

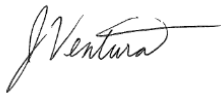

- 8. Source and date of current property survey prepared and sealed by a registered land surveyor.**
 - Due to the minimal scope of work regarding the placement of storage containers in existing impervious coverage, a waiver is requested for this item.

49. Sight triangles

- A waiver is requested for this item as there are no changes proposed to the existing ingress/egress of the property.

Thank you for your time with and consideration of this matter. If any questions, concerns, or issues arise, please contact me via email or phone at joseph.ventura@kimley-horn.com or 609 454-2299.

Sincerely,

Joe Ventura, P.E.
Civil Engineer
