7. VARIANCES: Complete for variance applications. **Public Notice (15-16) must be completed by the applicant in compliance with the requirements of the New Jersey Municipal Land Use Law. A copy of the public notice and proof of service are required.**

A. Briefly describe each variance requested and provide Zoning Code Section from which relief is being sought: I was told this requires a 10 foot setback and at parts of the property we only have 5 feet, some up to 8-10 feet. There is AN EXISTING 10x13 concrete patio already in place with a 5 foot setback. It has been there for years before we purchased.

CODE 160-73. WE WILL BE INCREASING THE TOTAL LOT COVERAGE TO 57.4% FROM 55% REQUIRED

B. If a "d" variance is requested, what are the special reason(s) which support your application: (This type of variance can only be heard by the Zoning Board of Adjustment) _____

C. If a "c" variance is requested, what are the exceptional property conditions which prevent you from complying with the zoning ordinance? We have an unusually shaped backyard due to a water run off stream to a water basin and the curved nature of our yard. It is not with no homes directly behind us. Just the basin runoff and common area trees/wall or foliage. There is AN EXISTING 10x13 concrete patio already less than 10 feet setback.

D. If a "c" variance is requested and you contend there are no exceptional property conditions, how will the Municipal Land Use Act be advanced if the variance were to be granted and how would the benefits of a variance outweigh any detriment? It would add modern, clean, attractive living space to my home. Be a considerable improvement to an old, concrete patio with no negative impact on the neighbors or common area.

E. Supply a brief statement of facts showing why the requested variance can be granted without substantial detriment to the public good and without substantial impairment to the intent and purpose of the Township's zoning plan and zoning ordinance: _____
Our request causes no environmental issues, or unsightly look issues.
No interference with a neighbors property or any common areas as noted above.
Not to mention it will be more safe for my young grandchildren to play on because of the location and layout of my existing yard.

8. INTERPRETATION - APPLICATION: For Zoning Board of Adjustment only.

Attach a statement of contentions and provide Code Section(s) in question.

9. APPEAL DECISION OF ZONING OFFICER OR BUILDING INSPECTOR - APPLICATION:
