RE: 24 HIBISCUS DRIVE
BLOCK: 11.49 LOT: 18 QUAL: ZONE: SEN-1

DEAR UFHEIL, JAMES R & MCGILL, CATHERINE,

We are in receipt of a zoning permit application submitted on 6/4/2026 for a pergola over an existing patio directly on the rear property line. Code 160-73(D)(8) and associated performance regulations Table 17 requires a 10' setback to the rear property line. A variance approval from the Zoning Board of Adjustment would be needed.

The existing patio does not appear to have been permitted and may also require relief from the Zoning Board.

It has been further noted that there is an existing garden wall, garden area and walkway that extends over the property line which cannot be approved.

You may submit an application requesting a variance from the Zoning Board of Adjustment. Please contact the Board Secretary at 856-983-2900 ext. 2083 for more information.

If you feel aggrieved by this denial, a notice of appeal is possible in accordance with New Jersey State Statute. The appeal must be filed with this office not later than twenty (20) days from the date of this notice per Chapter 15-4 of the Township Code. Information on procedures for an appeal of this decision to the Board of Adjustment can be obtained from the Board Secretary.

Your zoning application has been placed in the inactive files in the Zoning Department of Community Development.

Please contact this office at 856-983-2900 ext. 2083 to resubmit the application.

Sincerely,

[REDACTED]
