

**PSE&G COX'S CORNER SWITCHING STATION AND SHARP ROAD SWITCH STATION  
BLOCK 15, LOT 2; 225 SHARP ROAD  
TOWNSHIP OF EVESHAM, BURLINGTON COUNTY, NEW JERSEY**

**APPLICATION CHECKLISTS  
JUSTIFICATION FOR WAIVER ITEMS**

**May 2025**

The following is a list of Waiver items being requested from the Attachment 1 -Land Development Checklist and Attachment 2 – Land Use Board Application Checklist. We offer the following in support of the specific waivers being requested:

**Attachment 1 – Land Development Checklist**

**General Submission Requirements for all Plans**

- **Checklist Item #G** – Plans are folded to 12” x 15” size and collated for each set  
*The plan set size is large and unable to meet this requirement.*

**Submission Requirements Checklist**

- **Checklist Item #6** - For map, use one of four standardized sheets:

24” x 36”                      8.5” x 13”

30” x 42”                      15” x 21”

*PSE&G utilizes a standard sheet size of 44” x 34”.*

- **Checklist Item #86** - A letter containing a list of all items not installed or completed and to be covered by a performance guarantee, with quantities/cost of each item and the total cost of each item.

*Should the Site Plan application receive Board approval, an Engineer’s Estimate of Probable Construction Costs will be provided at the time of Resolution Compliance.*

**Attachment 2 - Land Use Board Application Checklist**

**Item #5-28.** – Location and details of enclosures for solid waste and recyclable containment.

*As unmanned stations, there is no need for garbage, refuse, or recycling facilities. PSE&G maintains a carry-in/carry-out policy. Any trash or recycling will be removed by PSE&G technicians.*
