**Re: Wiley Mission Inc.
99 East Main Street a/k/a Block 26, Lot 6
Evesham Township, Burlington County
Amended Site Plan Application P26-05**

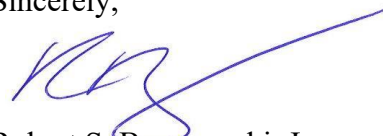

Dear Ms. Newton:

As you are aware, this office represents Wiley Mission Inc. (the “Applicant”) with regard to the above referenced application. The Applicant is hereby submitting a revised plan to eliminate the previously requested parking variance associated with the application. Enclosed for your files and distribution to the Board are twenty (20) full-sized copies of the Wiley Mission – Independent Unit Improvements Plan prepared by PS&S, dated January 14, 2025, and last revised May 27, 2026.

Based on the enclosed plan, the Applicant is withdrawing its request for the parking variance that was previously identified. Therefore, it appears that this application does not require any bulk variance relief.

If you should require any additional information or documentation, please contact this office. We request that this matter be scheduled for the first available meeting of the Evesham Township Planning Board. Thank you for your time and assistance in this matter.

Sincerely,

Robert S. Baranowski, Jr.
